OUR COURSE

In our second year running, **Teach Me Arabic** offers you one of the most popular Arabic courses taught to foreigners in Egypt.

Al-Arabiya Bayna Yadaik, is the course which hundreds of students from around the world flock to Egypt to study each summer. You will work through the famous and highly successful course syllabus, and enjoy the added flexibility of tailoring the course to meet your learning needs.

Study from as little as one and a half hours a day to full-time at a fraction of the usual cost.

HOW WE TEACH

Study the Arabic language with your own personal tutor, step by step, through listening, speaking and writing.

Experience 100% real time, 100% interactive learning with a tutor, using one of the latest interactive platforms for online teaching and learning.

TESTIMONIAL

"**Teach Me Arabic** is the most effective way of learning Arabic short of going to live in an Arab speaking country! It combines the rigour of a structured course with an Arab tutor virtually sitting next to you and taking you step by step through every aspect of the course. I cannot recommend it highly enough."
